

**DISTRICT INSTITUTE OF EDUCATION**  
**AND TRAINING, EAST,**  
**(KARKARDOOMA)**

# **ABOUT DIET**

## **MISSION**

“To provide academic and resource support (vide Para 1.5) at the grass-roots level for the success of various strategies and programme being undertaken in the areas of elementary and Adult Education, with especially reference to the following objectives:

- i. Excellence in the Institute’s own work, and
- ii. Helping the elementary and adult education systems in the district, in achieving excellence.

The highest function of education is to bring about integrated individual who is capable of dealing with life as a whole. A sound and effective education unfolds learner’s potentialities, develops their competencies. It helps them understand themselves, identify their needs, nurture their interests & formulate their principles, attitudes and values. It is the teacher who has tremendous impact on shaping a child’s life. Teacher not only teaches knowledge and skills but also helps students to get into self initiation. It is the teacher who is the instrument of inspiration for learners and most decisive element in the classroom.

DIET KKD is committed to provide quality training to the future teachers i.e., pre service teacher education and refreshing the knowledge of in-service teachers with the latest innovations in teaching by undertaking action research and developing teachers handbook up to elementary level. Different workshops, seminars, extension lectures, excursions etc. were organized to enable them to understand role of a teacher & carry out their responsibilities more effectively. During School Experience Programme (SEP) the trainees were oriented about the various activities relating to SEP i.e. development of lesson plan, development and use of teaching aid, development of different reports i.e. *action research, achievement test, neighbourhood survey and PTA and different skills of classroom management*. In addition to this *content quiz* of different teaching subjects were conducted to acquaint them with the various content areas in the teaching subjects of different classes for facilitating the trainees to make the teaching more effective. In addition to these trainees also undertook action research out of which a compendium of action research was developed.

DIET KKD caters to the needs of 295 schools of Directorate of Education (DOE) & 341 schools of Municipal Corporation of Delhi (MCD) including recognised schools. During the year 2015-16, 44 principals of MCD schools were trained and 87 newly recruited teachers trained and 445 SMC members from 90 schools were trained under the direction of SCERT by the NGO SANJHA.

The faculty of DIET, KKD extended its support to S.C.E.R.T. in different activities starting from admission process to the evaluation of results of E.T.E trainees, and coordinating different training programmes. In addition to these the DIET faculties also contributed to the revision of ETE Curriculum.

During the year 2015-16 DIET faculty contributed as training coordinator under SSA, RAMSA and SCERT and trained teachers 1280,484 & 388 respectively.

DIET has seven departments and most of the programmes and activities of DIET involve more than one department. For all the programmes faculty of various departments work in an integrated manner. These **departments** are as follows:

1. Pre-Service Teacher Education (PSTE)
2. In-Service, Field Interaction, Innovation and Coordination (IFIC)
3. Planning and Management (P&M)
4. District Resource Unit (DRU)
5. Curriculum, Material Development and Evaluation (CMDE)
6. Educational Technology (ET)
7. Work Experience (WE)
